Located in the heart of downtown Yarraville, YCC is the ideal venue for your meetings, conferences, training sessions, private parties and art exhibitions.

Our unique heritage venue at Francis Street features 10 rooms available for hire at very reasonable rates. With original bluestone floors, magnificent cantilevered staircase, high ceilings and abundance of natural light, this really is a venue with a difference.

And our Blackwood Street facility, once an old quarryman's residence, has 2 rooms for hire. Most rooms in either venue can be easily configured to suit your particular requirements and numbers.

Because our rooms vary in size and function, they are suitable for a whole range of purposes. You can enjoy a private party, such as a wedding, birthday or any other celebration. Or you could start your own regular community group – a book club, craft circle or playgroup. It's up to you.
