Purpose

The Complaints and Appeal Procedures provide a guideline when having to deal with complaints. YCC has prepared these measures as a means to have problems experienced by a learner or a centre participant addressed immediately, effectively, professionally and confidentially. The policy and procedures provide an avenue for most complaints to be addressed. However, we are aware that in some cases alternative measures may need to be explored and therefore each case is addressed on its own merits.

Complaints

It is the YCC policy to encourage the parties to approach a complaint with an open view and to attempt to resolve the situation through discussion and conciliation. Where the complaint cannot be resolved amicably through discussion and conciliation, YCC recognises the need for an appropriate, external and independent agent to mediate between parties. All complaints will be recorded in writing together with the outcome and where the subject of a complaint is found to be substantiated, YCC will review relevant policies and procedures and implement changes where deemed appropriate.

Appeals

YCC has an appeals procedure for any decisions made by, or on behalf of, YCC. The Appeals procedure is to reassure students that any concerns about such decisions will be taken seriously, and handled professionally and confidentially in order to achieve a speedy resolution.

A student who wishes to register an appeal should undertake the following procedure:

- Discuss the appeal with your YCC contact staff member to better understand the nature of the assessment result or disciplinary action;
- Should the appeal remain unresolved, or you would rather not discuss the appeal with staff member, you should contact the relevant coordinator.
- At this stage, you must document an appeal in writing to facilitate a full investigation. Please note the Complaints and Appeals Form is available from the office.
- All involved parties will be notified of the outcome in writing, including the reasons for a decision, within twenty business days of the Complaints and Appeals form being received by Yarraville Community Centre.
- Should the appeal remain unresolved at this level, a client has the right to contact the CEO or Committee of Management.
- If the appeal is for an assessment task either the trainer or Course Coordinator will provide you with an opportunity to resubmit the assessment task, which will be assessed by a different assessor.

If the complaint/grievance or appeal still exists, it can be referred to an appropriate external reference body:
