Skills for Work and Study: Building and Construction

This course has been designed for learners who are looking to enter the building and construction industry for employment.

In order to enter the building and construction industry, learners must obtain a "White Card".

The course prepares learners to be successful in obtaining the White Card. The course develops literacy, numeracy and employability skills needed to be successful in job applications that relate to entry-level construction work such as labourers or pre apprentices.

Where and When

- 1 day per week
- 20 weeks duration
- Classes start at 10.00am and finish at 2.00pm
- Class location is 9 Victoria St, Footscray
- Course starting soon
